

PKL 209 Buildable Land with Centuries-Old Olive Trees – 180 m from the Sea

 House / Plot	plot
 Ref.	PKL-209
 Land area	2533 m ²
 House area	m ²
 Price	80 000,00 €
 Description	<p>Located in the area of Gourna, this 2,533 m² buildable plot enjoys a very attractive location just 180 meters from the sea, with the beach reachable within a 2-minute walk.</p> <p>The plot allows the construction of a property of up to 400 m². If a first floor is built, the future house will benefit from a pleasant sea view.</p>

The land is beautifully planted with **magnificent centuries-old olive trees**, some estimated to be several hundred years old, giving the property a unique Mediterranean character.

Ideally situated **close to Kamara and the airport**, while still offering a peaceful and natural environment.

A great opportunity to build a **holiday home, permanent residence, or investment property on the island of Leros.**

Location

Γούρνα
